

RISE

BEHAVIORAL HEALTH

Restorative • Integrative • Strength-based • Experiential

Providing comprehensive behavioral health and prevention services to youth and families in need.

of Colorado Springs

1520 N. Union Blvd. Suite 204 • Colorado Springs, CO 80909

Program Description

RISE Behavioral Health provides mental health services and prevention services throughout the Colorado Springs area. Services are provided either in-office or within the community including at-home, schools, group homes, and more. Office-based services and programs are delivered at our behavioral health center located at 1520 N. Union Blvd., Suite 204. Therapeutic services are funded through contracts with Division of Human Services, Division of Youth Services, Medicaid, and private funding sources. Services are provided by highly trained mental health staff who specialize in working with youth and families.
